## MAURIZIO GALANTE & TAL LANCMAN TEMPTING ART

**Exhibition from July 2 to September 19, 2016**

**Curator** Anna Loporcaro

"Don't play with your food!" – the admonishment we've often heard in our childhood is cheerfully brushed aside in this project; what happens when we take cooking out of the kitchen and into the world of design? The kitchen becomes a playground for celebrating "foodies". For Valcucine, Maurizio Galante & Tal Lancman invited twenty-two guests to respond to one challenge: to each concoct a dish. Borrowing omnivorously from multiple media, architects, advertising creatives, photographers, painters, industrial designers, as well as artists specialising in edible art, the project rounds up a full set of flavours, comprising a three course imaginary culinary menu, to be devoured firstly with the eyes, it provides food for thought.

The *Tempting Art* exhibition takes as its tenet that food is the cardinal measure of consumption; the most fundamental object designed, which plays an implicit and complex role in what we consume.

On the occasion of the exhibition at Mudam, the publication *Tempting Art* presenting postcards of all the works is available at Mudam Boutique.
